

**3<sup>rd</sup> & 4<sup>th</sup>  
Quarter  
Highlights**

**Advance Auto  
Parts opens  
their doors**

**Orchard Road  
Construction  
continues**

**Brian and  
Sons moves to  
Montgomery**

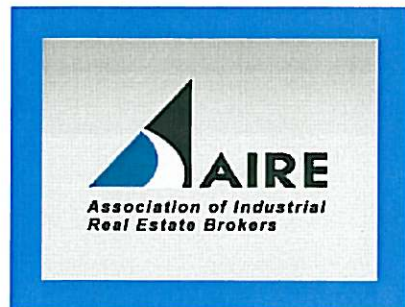

**Gray's Mill  
Opens**

**2011 3<sup>RD</sup> & 4<sup>TH</sup> QUARTER HIGHLIGHTS**

The MEDC office and the GMACC coordinated the Advance Auto Parts Grand Opening in Montgomery. This new addition to the corner of Douglas and Route 30, is sure to stir some additional interest in the area. It has also created additional retail space with an exceptional facade which has brought an entire new look to that corner.

The MEDC worked with the Kendall County Economic Development committee on attending and working the Aire show, held in Chicago. This was a new venture for the group. In addition to this partnership, the Kendall County group worked with all of the EDC Directors on a new campaign in bringing jobs to Kendall County.

**MEDC  
Joins  
Kendall  
County at  
the annual  
AIRE show.**

## Marketing and Public Relations Efforts

The MEDC represents the Village of Montgomery and its stakeholders at many events. Each quarter, I highlight some of these events.

- Worked with Kendall County on Business Round Table
- Attended the AIRE show and worked with prospects and developers seeking information on industrial property
- Continued with Business Climate Enhancement Meetings to address business needs/concerns
- Educated BCEC on Park District expansion project & Illinois Advantage
- Ran a successful Golf Outing raising over \$5,000 in revenues
- Continued work with RCG Ventures on new prospects & current tenant
- Visited several new properties open for sale/lease
- Attended Kendall County Economic Forecast Event
- Worked with several new clients considering Montgomery
- Participated in a variety of Village development & COW meetings
- Continued meetings/work with Village Web Site design team and staff on new web site content
- Continued working with Jo Fredell Higgins in the promotion of the Montgomery Book
- Attended Fox River Foods show introducing the community to many vendors/suppliers
- Began attending the River Valley WIB-EDC Meetings
- Published in Directory Listing in Northern Real Estate Magazine
- Working on a variety of projects considering expansion
- Continued working on two community profiles to be used on State web site and Village web site
- Worked with Urban League on securing some administrative help
- Coordinated a Grand Opening for Brian and Sons
- Visited with new management at Gray's Mill
- Worked with BCEC on distribution study and addressing the Special Use permit process
- Worked with BNSF on addressing numerous rail issues for future planning

- Addressed the Village planning commission on several business related items
- Coordinated a Holiday Party with the Chamber of Commerce in appreciation to all members and business community
- Published several times in Northern Illinois Real Estate magazine

*Joe McCowan and Michelle Michaels visited the Business Climate Enhancement committee to talk about the new Advantage Illinois Program from the State of Illinois.*

*The MEDC Golf Outing brings many business leaders together*

*The MEDC and the Village of Montgomery provided a warm welcome and coordinated a Grand Opening celebration for Brian and Sons.*
