

For Immediate Release:

2nd MEDC Breakfast Meeting a HUGE Success!

Pictured: Kane County Board Chairman Karen McConnaughay, Village President Marilyn Michelini and Jesse Vazquez

Karen McConnaughay drew a big crowd at Montgomery Village Hall on June 17th, 2010.

Karen McConnaughay and Village President, Marilyn Michelini talked about the importance of government leaders working together to make good things happen. “Now, more than ever we need to pull together and address the issues that the County and community are faced with, Karen said. Karen applauded the Village of Montgomery’s efforts working with the Montgomery Economic Development office and creating a resource for business development and growth. Jesse Vazquez was also recognized for his continued tenacity working with the County and addressing the needs of the Village of Montgomery. Thank you Jesse for all your hard work!
