

2nd Quarter Highlights

Planet Fitness opens at Settlers Landing.

McVickers completes 5,500 square feet of their 11,100 shopping center with one expansion and three new tenants.

2012 2ND QUARTER HIGHLIGHTS

Planet Fitness opens at Settlers Landing!
The parking lot continues to fill up.

The MEDC worked closely with RGG Ventures and Planet Fitness.

Grand Opening: July 31, 2012!

The MEDC joined forces with the Kendall County Economic Development committee and Waubensee Community College on a Regional Kendall County Job Resource Fair. The event was a huge success with positive reviews!

The MEDC's BCEC committee continues to focus on Economic Development issues and work with the business leaders in the community.

Marketing and Public Relations Efforts

The MEDC represents the Village of Montgomery and its stakeholders at many events. Each Quarter, I highlight some of these events as well as incorporate some of our ongoing efforts as it relates to business and economic development and partnerships.

- Partnered with Kendall County, all EDC partners and Waubensee Community College on a joint job fair and business resource event
- Engaged the MEDC's Business Climate Enhancement committee to increase involvement and support for the future development of the Village
- Arranged a series of meetings with RCG Ventures and prospective new tenants
- Worked with a series of prospective users looking at several downtown properties
- Continued to attend the River Valley WIB-EDC Meetings in Geneva
- Continued to work with Urban League on their Workforce Development program and attended their appreciation lunch
- Added one new MEDC member and met with six prospective members
- Coordinated a series of meetings with village staff on new prospects and development opportunities
- Attended ED Directors luncheon and MAIL meeting each month
- Organized a Ribbon Cutting event for Smoke Plus
- Participated in an interview on WSBY TV in Plano
- Worked on a series of publications and listings to get Montgomery's name in front of business leaders
- Met with several developers including TCB in an effort to be proactive on future development
- Arranged a series of meetings involving future development and new construction
