## Marketing and Public Relations Efforts

The MEDC represents the Village of Montgomery and its stakeholders at many events. Each Quarter, I highlight some of these events as well as incorporate some of our ongoing efforts as it relates to business and economic development and partnerships.

- The MEDC worked with Kendall County, and all of the surrounding EDC offices to attend the National AIRE expo
- Engaged the MEDC's Business Climate Enhancement committee to increase involvement and support for the future development of the Village
- Participated in all TIFF committee meetings
- Continued to work with RCG Ventures and prospective new tenants
- Worked with several new prospective users looking at several downtown properties
- Continued to attend the River Valley WIB-EDC Meetings in Geneva
- Met with four prospective members
- Coordinated a series of meetings with village staff on new prospects and development opportunities
- Attended ED Directors luncheon
- Worked with Business Expansion magazine to add an additional ad on Montgomery, in Illinois and January issues
- Worked with IDI and Stag investment on addressing a future development project and a possible investment purchase
- Brought in an investor to tour the CAT plant and address his concerns
- Arranged a series of meetings involving future development and new retail construction
- Met with a prospect seeking a new location for his plastics firm
- Worked with the Village and BCEC committee to coordinate a commercial and retail tour of the community
- Attended and spoke at several planning commission meetings assisting the clients in future development projects
- Met with a marketing firm who is working with the State of Illinois DCCEO to place the State in a positive light
- Recruited sponsors for the iPad raffle
- Recruited sponsors and golfers for our annual golf outing
- Worked with the MEDC Board to propose the top priorities for the MEDC
- Attended all the Village top priority meetings
- Met with the Village President and acting Village manager and discussed a series of ways to keep the Village Board informed of our activities in between the quarterly reports
- Updated the MEDC Web Page
- Continued to provide informative News Blasts reports and build an audience on Social Media

The MEDC's BCEC committee continues to focus on Economic Development issues and work with the business leaders in the community.
