FOR IMMEDIATE RELEASE:

Montgomery, IL- August 06, 2015. The Montgomery Economic Development Corporation (MEDC) and The Village of Montgomery proudly announce an "Official Ribbon Cutting Ceremony" to be held on Tuesday, August 18, 2015 @ 8:30 a.m. for The Riverview Diner.

The Riverview Diner has been serving Montgomery and the surrounding region for more than a decade. Restaurant owner, Eleno Silva brought many years of experience before he first opened his doors in Montgomery, in May of 2004. "Eleven years later, we're still here and better than ever, with many improvements. I love what I am doing and I think my clients notice this - and for me and my team - the most important thing is to serve and provide every one of my clients with quality food and respect." Mr. Silva wanted to expand for his customers and was concerned when they would have to wait in line for over 40 minutes. Now with this new addition; they have nearly doubled seating capacity and added banquet room space - now available for private parties.

The Montgomery Economic Development Corporation was formed in 2003 as a public-private partnership for the purpose of promoting economic development, expansion and diversification in the Village. The MEDC promotes and assists the development of business concerns by attracting new business and encouraging the retention and expansion of existing business in the community.
