

FOOD MARKET

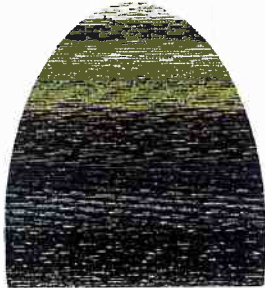

LA CHIQUITA

Back to School Festival

What

It is an outdoor festival where Food Market La Chiquita uses it as a customer appreciation day. We offer raffles, prizes, and giveaways to our customers. There also will be music, dancing, and food samplings We also have a special section for the children where there may be pony rides and a petting zoo. This is the second festival we are hosting. Last year, our first festival attracted more than 700 customers. We hope to see a bigger turnout this year. In exchange for participating in our festival, we will feature your product in our weekly sales ad for all 8 Food Market La Chiquitas. Food Market La Chiquita only asks that you fill this form and pay the cost of the Kane County Food Sanitation Permit \$35.00. *(Please see attached)*
