FOR IMMEDIATE RELEASE: The Montgomery Economic Development Corporation (MEDC) would like to announce and congratulate Carl Buddig & Company L.L.C. for being the recipient of the Trade and Industry Development 2019 Corporate Investment/Community Impact Award (CICI). This is a National award that selects 15 companies from across the country and recognizes them and the many people and organizations that help make deals like this happen.

“A company’s decision to locate or to expand can have a profound effect on a community,” states Peter Francesconi, as he announces the 2019 CiCi Community Impact awards.

Village trustee for the village of Montgomery and Chairman of the MEDC Board, Doug Marecek, was excited to hear of this great achievement for Montgomery, the MEDC and Carl Buddig & Company L.L.C. “It really does take a Village as they say.” Through the hard work of many agencies and organizations we were able to welcome Carl Buddig & Company to the Village of Montgomery and look forward continuing to work with them as they continue to grow in our community. I know we are excited to have Carl Buddig an award-winning company as a member of our community.”
