Village of Montgomery Postpones Montgomery Fest Until Aug. 2021

After much consideration and discussion, the Village has made the difficult decision to cancel its 2020 Montgomery Fest. The Village has spent the last two months reviewing guidance from the State of Illinois, the CDC, and other sources and determined that conducting the event in the current climate, while ensuring the health and safety of both residents and staff, is not possible. This decision was not made lightly, as we know how much Montgomery Fest means to the community. We look forward to everyone gathering together August 13-15 next year and in the meantime hope that we all continue to support one another.
