#### Montgomery Announces Floral Display Contest

The Montgomery Beautification Committee will be sponsoring a Summer Floral Display Recognition again this year. This is an opportunity for homes and businesses to be recognized for exceptional landscape displays that feature annual and perennial flowers. Beautification Committee members will give recognition awards to those homes that best meet the contest criteria: displays must be predominantly floral; live plants only (no artificial, silk, etc.); flower displays may be in ground or containers; perennial and annual flowering plants are acceptable; and the display must add “curb appeal” to the property. Residents can nominate their own property or someone else's simply by submitting the property address.

On Wednesday, June 17<sup>th</sup>, committee members and volunteer judges will visit all nominated addresses in order to select the winners. A sign will be placed that evening in front of the properties selected for recognition. Owners are asked to leave these signs up for two weeks, at which time a member or volunteer from the Beautification Committee will go around and collect the signs. A list of winning addresses will be published. Names will be withheld.

Nominations will be accepted up through Sunday, June 14<sup>th</sup> and judging will take place on Wednesday evening June 17<sup>th</sup>. You can nominate a property via the [Village website](#) or by calling the Village of Montgomery Public Works Department at (630) 896-9241.
