

When Local Business Owners Speak, The MEDC Listens

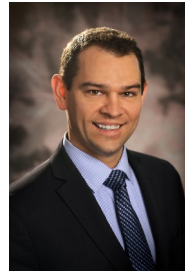

And we're waiting to hear from you too!

These are a few of our Montgomery business partners that have experienced the benefits of MEDC membership firsthand. Now you can too. When you join the MEDC, you become a part of a business advocacy group which works to ensure a brighter economic future and new opportunities for *all* Montgomery businesses. The MEDC is the voice of the Village of Montgomery business community in both Kane and Kendall counties, in Springfield and in Washington D.C. Add your company name to our growing membership list so that we may all speak with a stronger voice.

Step Up Now is a recruitment campaign offering special introductory membership rates. We want you to become an investor in the MEDC. Complete the pledge card below and mail it with your check today! If you also support a local Chamber of Commerce, you get a \$50.00 discount.

Thanks for supporting our communities.
