Jonathan Shedden
Controller
Rush Copley Medical Center

Will Garcia
Vice President
Old 2nd National Bank

FOR IMMEDIATE RELEASE: The Montgomery Economic Development Corporation would like to congratulate **Jonathan Shedden** and **Will Garcia** for their recent promotions at their respective full-time positions. Jonathan was promoted to “Controller” from his previous position as Director, of accounting and reimbursement. He is replacing Don Kalish, who had previously served on our Board for years and recently retired. Jonathan has been at Rush Copley over four years and in the finance world almost two decades and is the treasurer of the MEDC. Despite his demanding position Jonathan volunteers his time to several organizations and has been a great asset to our Board.

Will Garcia, from Old Second National Bank has recently been promoted from Assistant Vice President Commercial Banking to Vice President of Commercial Banking. Will started his career in banking as an intern back in 2013. Congratulations, and thank you for contributing your time to the MEDC Board.

The Montgomery Economic Development Corporation is fortunate to have these two great financial experts on our Board. We are grateful for their commitment and dedication to the region.

Help us congratulate them for their continued contributions to our communities.

You can find out additional information on Rush Copley at www.rush.edu and www.oldsecond.com, or email char@montgomery-illinois.org, for more information.
